WHY IT MATTERS

DISTANCE SHOULDN'T DICTATE THE FAREWELL.

75+

MILES FROM HOME

A death away from home can force a family to make urgent, unfamiliar decisions while grieving. This protection helps preserve the time and space needed for a meaningful farewell by coordinating the practical details of bringing a loved one home.

WORLDWIDE REACH

Benefits are subject to eligibility, limitations, and the governing service agreement.

COORDINATED CARE

ONE CALL. EVERY DETAIL.

A dedicated coordination team helps manage the decisions, documentation, and logistics required for lawful transport.

THE JOURNEY HOME

01

CONFIRM

Death occurs more than 75 miles from the member's current residence.

02

CALL FIRST

Contact Sepio Guard before anyone independently arranges transportation.

03

COORDINATE

The team confirms eligibility and manages required logistics and approvals.

04

RETURN

Transport is arranged to an eligible destination near the member's home.

WHAT MAY BE COORDINATED

DOCUMENTATION

Death certificate, permits, and required approvals

LOCAL TRANSFER

Movement to an appropriate preparation facility

PREPARATION

Embalming or cremation when required for lawful transport

CONTAINER

An appropriate shipping container when required

TRANSPORT

Coordinated airline or ground transportation

DESTINATION

Coordination with an eligible funeral home near home

Important: transportation arranged independently is not reimbursed. Coverage is subject to the service agreement, including conflict-zone and unreasonable-safety-risk limitations.
